EXTRA SERVICES AND MERCHANDISE REGISTRATION

All extra services and merchandise items may also be added later at bikewisconsin.com (subject to availability). **The number of days you register for extra services must match the number of days you will attend the tour.**

Mechanical Support Plan

Our mechanic offers a pre-paid Mechanical Support Plan which includes:

- All mechanical labor services on the road during the tour, every riding day, including flat tire changing.
- A pre-ride inspection the day before your first riding day of the tour.
- A free loaner wheel in case of unrepairable wheel damage (subject to availability).
- A free loaner bicycle if case your bicycle can not be repaired on the road during the ride (subject to availability).
- A 15% discount on post-ride services and repairs not included in the mechanical service plan, such as bike wash and tune-up services.

The mechanical support plan is a fantastic value and makes a LOT of sense! Considering the minimum fee for any single service is at least \$20 and an on road visit from the mechanic is \$50, the mechanical support plan will easily pay for itself. You'd be crazy NOT to purchase it!

AGREEMENT, WAIVER & RELEASE OF LIABILITY

I, the undersigned, know that Bicycle Illinois ("the EVENT") is a potentially hazardous activity and I attend it out of my own free will and choice. In choosing to attend the EVENT and any related events, I fully accept and assume all risks, whether before, during or after the EVENT and its related events. These include, without limitation, physical injury, mental injury, emotional distress, trauma, sickness, illness, death, contact with other participants, equipment failure, inadequate safety equipment, the effects of weather including extreme temperature or conditions, traffic, contact with other riders or fixed objects, the conditions off the road, camping, and participating in events along the route. All risks are known and appreciated by me. I shall assume and pay my own medical and emergency expenses in the event of injury, illness, or other incapacity regardless of whether I authorized such expenses.

I agree to abide by all of the EVENT rules, regulations, policies and procedures as published on the web site and/or as directed by the ride director now and in the future and that my participation in the EVENT may be temporarily or permanently terminated for any failure to do so. I realize that the EVENT requires physical conditioning and I represent that I am in sound medical condition capable of participating in the ride without risk to myself or others. I have no medical impediment, which would endanger others or myself. I understand and agree that a situation may arise during the EVENT which may be beyond the control of the sponsors, promoters or organizers. I will be solely responsible for the condition and adequacy of my bicycle, safety gear and riding equipment. I will ride safely within the limits of my own abilities, my equipment and the riding conditions and in a manner so as not to endanger either myself or others. I understand that the specific routes provided to me to follow during the EVENT are the proprietary, copyrighted, confidential intellectual property of the EVENT and are only for my private, personal use during the event. I agree not to disclose any information regarding any route in any means - electronic, printed, or otherwise. **I agree that I will wear a Snell or ANSI approved bicycling helmet at all times while riding in the EVENT.**

I grant the EVENT the unrestricted right, license, and authority to display, record, and/or otherwise use my image, voice, likeness and/or any depiction of mine in whole or in part for any purpose at the EVENT's sole discretion, including, but not limited to, any account, description, picture, video, audio, reproduction or other information related to the event.

I understand that THE EVENT DOES NOT ISSUE ANY REFUNDS AT ANY TIME FOR ANY REASON. These reasons include but are not limited to circumstances where the EVENT cannot be run for reasons beyond the control of the organizer (Force Majeure) including but not limited to disasters (natural and/or man made), government mandates and regulations, pandemics, war, acts of terrorism, strikes, civil disorder, curtailment of transportation facilities, or acts of God.

Knowing these facts and in consideration of my entry acceptance, admission to and/or participation in the EVENT, I, for myself and anyone acting on my behalf, release, waive, discharge, covenant not to sue and agree to hold the EVENT's sponsors and participating clubs, communities and organizations; the EVENT's officials, emergency and support personnel, volunteers and their representatives; directors, employees, representatives, agents, and successors of all of the above, harmless from any and all claims, demands and actions of any and every kind I have, may have or may hereafter accrue against the released parties directly or indirectly arising out of or relating in any respect to my attending or participating in the EVENT and its related events. My waiver and release of all claims, demands, actions and liability shall include without limitation, any injury, damage or loss to my person or property which may be (a) caused by any act, or failure to act, by the above-identified persons and entities or (b) sustained by me before, during or after the EVENT and its related events. I further agree to indemnify and hold the parties released above harmless from any and all losses, damages, claims and expenses, including attorneys' fees, arising from or relating in any respect to my participation in the EVENT or its related events or my breach of this agreement. If you are registering a minor under the age of 18, you represent and warrant that you are the parent or legal guardian of that person and have the legal authority and capacity to enter into this Agreement, Waiver & Release of Liability on his/her behalf and that you agree to be bound by the terms of this Agreement, Waiver & Release of Liability both for yourself and also for any person for whom you are registering.
